Mr. Bob Rose,
P. O. Box 463,
Harrisburg, Pa.

Dear Mr. Rose:

I just sent you a wire, asking you to save material for 17 suits, plus 5 extra pair of pants.

Mr. Manley said he thinks it would be more satisfactory if you arrange to measure the team so we could be sure of the sizes. We have always had so much trouble about the fit of the uniforms. I would also like to see some samples of lettering, if it is not too much trouble, as your suggestions are always very nice.

The team will be on the road an awful lot, but they will not be passing through Pittsburgh, they are playing in Phila this Thursday and will be staying at the Attucks Hotel Thursday Night, it would probably be the most convenient spot for you to contact them, but I had not planned to come over there, however, I will arrange to do so if it will help matters any.

Our next appearance at home is Aug. 2nd, if we are going to order new uniforms, I would like to have them for that day. If it is impossible for you to make the trip or too inconvenient, I will send you sizes and lettering the best I can, but I believe the other would be more satisfactory.

Very truly yours,
